

'A' Level Class of 2023

St Peter's are delighted to announce their A Level results for 2023.

We are all so proud of our 2023 cohort who have experienced challenging academic years following the disruption to their GCSEs due to COVID-19. Our pupils have shown amazing resilience and maturity in overcoming these difficulties which have been put before them. Our staff have worked tirelessly to ensure all our pupils were fully prepared for the summer public examinations and this hard work and dedication is evident in some excellent results.

These are our headlines:

- 32% of the exam grades across all 'A' level and BTEC subjects were at A*-A.
- 59% of all exam grades across all 'A' level and BTEC subjects were at A*- B.
- 83% of the grades achieved were at A*-C.

Early indications show our results are above national average and are closely aligned to our teacher predictions. These grades are outstanding for a fully inclusive school Sixth Form, but they do not tell the 'story' of the success of all our individual pupils.

They have virtually all been successful in securing their next steps, be that at university, employment or an apprenticeship.

This morning, nearly 80% of our pupils who applied for University have received offers from their first choice institution. Of these offers nearly half of them are from Russell Group Universities.

We offer huge congratulations to the class of 2023. We thank parents and families for all their support. Thank you also to their dedicated teachers for their expertise and efforts.

It has been a privilege to be part of the education and formation of these young people and we all wish them well for the future.

Mr Shelton
Headteacher
