Dear Parent/Carer,

Solihull Music is responsible for the running and administration of instrumental lessons at your son/daughter's school. Instrumental lessons will be taught by staff employed by Solihull Music and delivered in term time during the school day. The provision of these lessons is subject to demand and availability of Solihull Music teachers, together with suitable accommodation at the school.

Planning and decisions on all timetabling of lessons will be made by Solihull Music in consultation with the school. Please note that pupils will need to come out of lessons to attend their instrumental lesson; however, lessons may be arranged on a rota basis to avoid pupils missing the same school subject each week.

To apply for lessons through the music service click on the link below:
