

SOLAR

Solar is a partnership between Birmingham and Solihull Mental Health NHS Foundation Trust (BSMHFT), Barnardo's and Autism West Midlands.

We provide Emotional Wellbeing and Mental Health Services to Children, Young People and Families in Solihull. This type of service is often referred to as CAMHS (Child and Adolescent Mental Health Team).

Solar supports young people (0-19 years old with some aspects going up to 25 years old) who are experiencing emotional wellbeing and/or mental health concerns.

The service is based across 2 sites; Bishop Wilson Clinic and Freshfields Clinic.

MHSTs have three core functions:

1. To Deliver evidence-based interventions for mild-to-moderate mental health issues.
2. Support the senior mental health lead in each school or college to introduce or develop whole school or college approach.
3. Give timely advice to school and college staff, and liaise with external specialist service to help children and young people to get the right support and stay in education.
